POLICY

Copperfield College is committed to providing a safe, supportive and inclusive environment for all students, staff and members of our community. Our school recognises the importance of the partnership between our school and parents and carers to support student learning, engagement and wellbeing. The programs and teaching at Copperfield College support and promote the principles and practice of Australian democracy, including a commitment to:

- elected government
- the rule of law
- equal rights for all before the law
- freedom of religion
- freedom of speech and association
- the values of openness and tolerance.

This policy outlines our school's mission, values and expectations of our school community. This policy is available on our school website, our staff induction handbook, and enrolment/transition packs.

VISION

At Copperfield College, parents, students, and staff will work as a collaborative learning community to motivate, challenge and set high expectations for each other.

Our engaging learning environment will inspire in all students a passion for learning and a commitment to creating opportunities for themselves and others.

MISSION

Our operating mantra is *“One family, three homes”*. This refers, in part, to the fact that we are a three Campus College. *“Our family”* firstly is a statement that we operate as one school.

The College’s mission statement is *“Empowering every student to aspire and achieve”*.

The College’s Student Behaviour Matrix (of expectations) is based on the statement that “At Copperfield College we achieve when we are respectful, responsible and value relationships”.

OBJECTIVE

Our school’s objectives are considered as part of the 4 yearly strategic planning process and reflected in the goals listed in our current School Strategic Plan (SSP). We also develop an Annual Implementation Plan to operationalise the goals and key improvement strategies contained in our SSP.

VALUES

The core values of the College are Collaboration, Inclusiveness, and Growth.
