## Define actions, evidence of change and tasks

<b>Goal 1</b>	Maximise the learning growth of every student.	
<b>KIS 1.a</b>	Implement and embed an agreed and consistent documented guaranteed and viable curriculum to meet the learning needs of all students.	
<b>Actions</b>	<ol style="list-style-type: none"> <li>1. Continue to embed organisational structures (Curriculum Committee, KLA meetings, common staff planning time) to support the use of common Curriculum Maps. Monitor that documented curriculum exists, is centrally stored for all subjects 7-12, is taught, assessed and reported on throughout the academic year. .</li> <li>2. Continue to build collective knowledge of differentiation and its impact on improving student learning. Embed regular learning walks to observe, monitor and refine the implementation of the College instructional Model (LENAR), elements of the VTLM 2.0 and differentiation.</li> </ol>	
<b>Evidence of change</b>	<ol style="list-style-type: none"> <li>1. Teachers demonstrate an improved understanding of scope and sequencing and increased confidence in the common content and assessments as documented in the Curriculum Maps. Curriculum Maps are completed, used and refined as per agreed College timeline.</li> <li>2. Increased implementation of the College Instructional Model and regular differentiated instruction observed through Learning Walks which will occur regularly and data discussed and acted upon.</li> <li>3. Meeting structures and leadership responsibilities are aligned and regular and consistent time is allocated to support adult learning in targetted and differentiated staff Professional Learning on data literacy and student differentiation.</li> <li>4. PLC focus on tracking students via data and planning for interventions and extentions based on data,</li> </ol>
